Chinook total music tracks in inventory

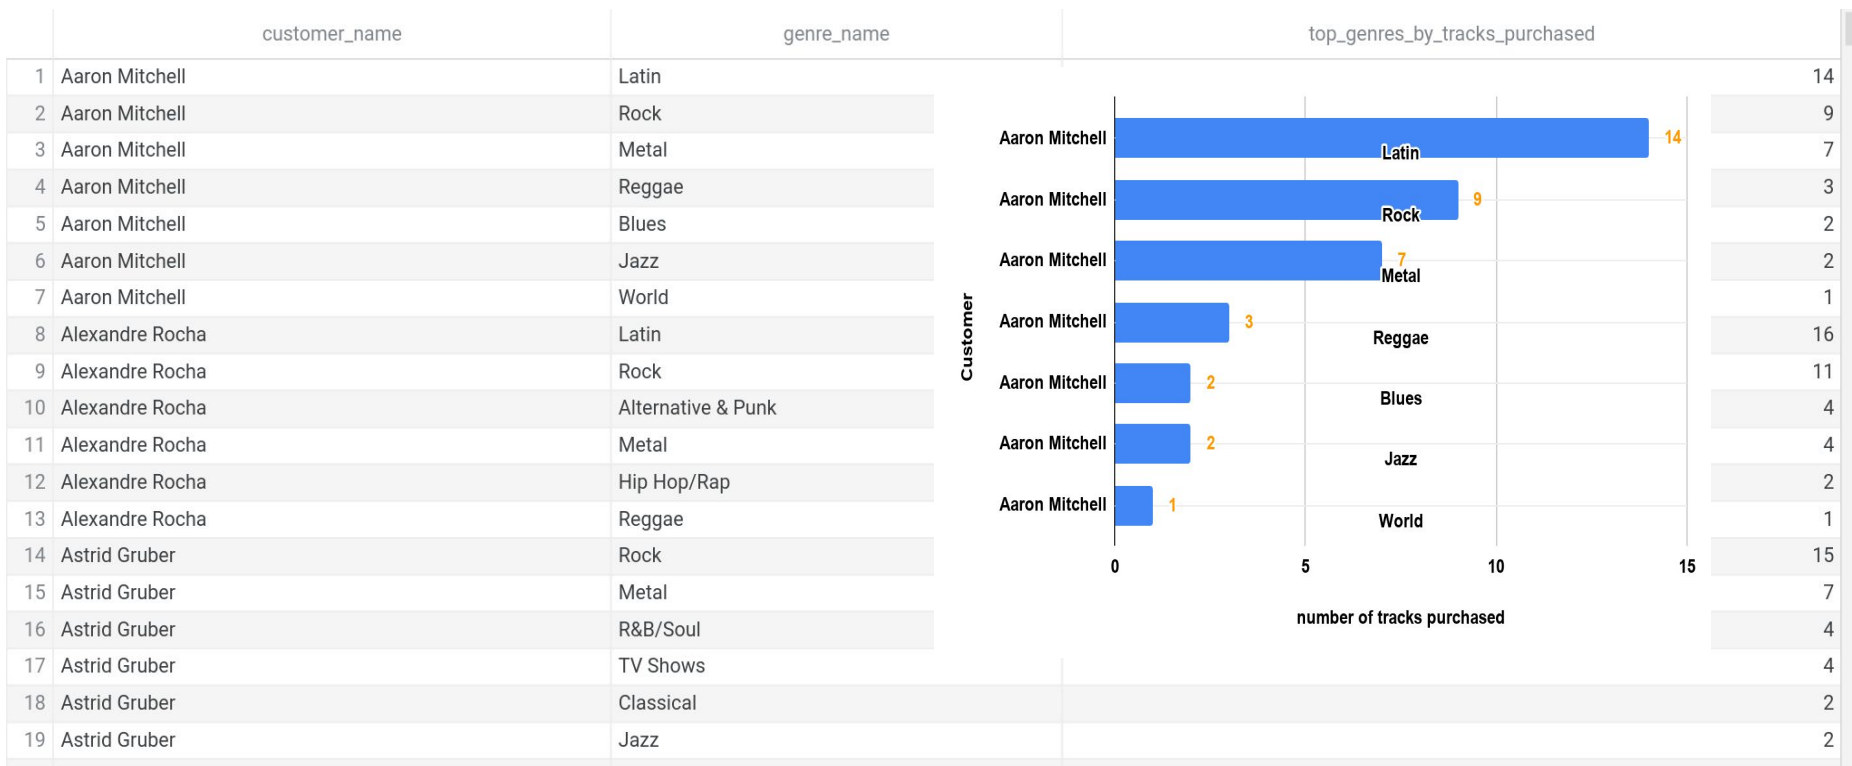

What kinds of music does Chinook have for sale?

Customers total purchases by genre

What kinds of music do the customer's listen too?

Each of the 59 customer's track purchases by genre. The insert bar chart is how I would like to display each customers tracks purchased by genre but with customer name once. Sheets will not oblige me that result. (Tableau made a nice one.)

What is each customers favorite kind of music?

Number of tracks purchased

Customers
